### GHSP Sponsors Sixth Feeding America Food Truck

(Hart, MI) GHSP gave back to their community on July 16 by sponsoring another Feeding America food truck. This one was at Rothbury Community Church. This was the company's sixth food truck since December 2009. The Community Stakeholder Team once again partnered with United Way of the Lakeshore to bring the food truck to Rothbury.

17 GHSP volunteers and 5 volunteers from the community helped out in the fight against hunger. Everything went smoothly on the warm Saturday morning as 67 families benefited from the generosity of the GHSP employees, who helped empty the 5,000 lb. Feeding America food truck.

Mark Gaultney did a great job with the coordination of the food truck and promoting the event. Flyers were placed at local gas stations, hardware stores, and laundry mats in Whitehall, Montague, New Era, and Rothbury.

GHSP, along with Feeding America, believes that service to others is fundamental to creating a hunger-free America. By funding the food truck and providing volunteers, the company demonstrates their support. This is one part of GHSP's effort to encourage volunteerism among its employees and to make a positive contribution to the communities where GHSP does business.
