SHANGHAI SCHOLARSHIP PROGRAM

Shanghai, China - In December 2010, GHSP Shanghai employees decided to create an ongoing scholarship program at Qingpu Senior High School, providing help to five students from poor families. Making a positive contribution to the communities in which they operate is one of GHSP's objectives.

The first annual GHSP Shanghai Scholarship Program ceremony was held on December 17 in the school meeting room. The five scholarship recipients, three representatives from the school and five representatives from GHSP attended the ceremony. First, the school representative introduced the school and the five students. Then the five students told their stories. The stories made the GHSP representatives appreciate the difficulties faced by the students and admire their perseverance.

Davy Ou, GHSP Shanghai General Manager, presenting scholarships

Davy Ou, GHSP Shanghai General Manager, encouraged the students to overcome their current difficulties and presented the scholarships. He also gave each student a 'Wish Card' which included a note from every GHSP Shanghai employee. The cards expressed best wishes for the student's success.

The students appreciated the generosity of GHSP and its employees, not only for the money, but more importantly, for the best wishes from the GHSP employees. They committed to work hard and to help others in the way GHSP was helping them.

Finally, Mr. Ou said goodbye and shook hands with the students. He said GHSP and its employees were willing to continue to support the students and provide necessary help for them.
